

Halloween is drawing near,
But don't let this spook bring you fear.
We've left these treats just for you.
Enjoy them please; we hope you do!
Then before two days have come and passed
Spread the fun to make it last.
Choose two friends to give treats to,
Then they'll be BOO'D just like you!

WE'VE
BEEN
BOO'D

(tape me to your front door or window)
